RESPONSE OF THE UNITED STATES POSTAL SERVICE TO
REQUEST FOR SUPPLEMENTAL INFORMATION

1. The public portion of the contract submitted with the Request states the quarterly average volumes will be “based on the total number of quarters from the Effective Date (as defined in Section II below) of this contract *divided by* the total number of Contract Packages.” (Emphasis supplied.) *Id.*, Attachment B at 2. Rather, it appears the quarterly average volumes should be calculated using the total number of quarters “divided into” the total number of contract packages. The Postal Service is requested to clarify how quarterly average volumes will be calculated under the contract and, if necessary, file an amendment to the contract.

RESPONSE:

Confirmed that the calculation should be “divided into,” not “divided by.” The Postal Service will file an amendment correcting this typographical error as soon as possible.
